ABOUT THIS PROPERTY

Located on North Haven's northwest shore, this waterfront property's high grassy knolls overlook west Penobscot Bay and offer spectacular views of the Camden Hills. It includes 19.1± acres of land, with an access road already in place, and 800± feet of dramatic granite shorefront. One of the property's real gems is a beautiful sandy beach hidden under the shore's bold cliff faces. With a mix of open meadows, granite ledge, and spruce forest, the land offers elevated building sites, breathtaking natural beauty, and a wonderfully private setting in an outstanding location.
